**Attorney Reports**

No Report

**Adjustment Reports**

No Report

**Town Manager**

- **2026 Hydrant Maintenance and Flushing Proposal update** - Kurt Deltzer reported that this was scheduled for May of this year.
- **Phase Converter Update** - Kurt reported that a week ½ ago the breaker had tripped and dropped 1 phase. He contacted Brand Electric who met him at the site and got it running. When the new one is installed, we will have the old one repaired to be used as a back-up. The Cemetery Lift – 3 Phase were up graded 3 years ago. Would like to have a generator hook-up for it. Kurt will get cost on for hook-up for generator and report at next meeting.
